Dear Sir:

In accordance with 37 C.F.R. Sections 1.56, 1.97 and 1.98, Applicants wish to call to the Examiner's attention the references identified on completed Form PTO-1449, which generally relate to the present invention. Copies of any cited foreign patents, non-patent literature, and unpublished US application documents are enclosed. Pursuant to the waiver in the Pre-OG Notice, dated July 25, 2003, copies of US patents and published US patent applications are no longer required and are not enclosed. It is respectfully requested that the Examiner initial and return the enclosed Form PTO-1449 to indicate that each reference has been considered.

A Request for Continued Examination under 37 CFR § 1.114 has recently been filed, thus it is believed that no fee is due for this Information Disclosure Statement.

Applicants submit that the above references, whether taken alone or in combination with each other neither anticipate nor render obvious the present invention. Consideration of the foregoing in relation to the captioned application is respectfully requested.

Respectfully submitted,

/Thomas M. Spielbauer/
